

Inflatables

CLEANING & DEODORIZING

By **TEC-Chem**
Ideas To Solutions

To help keep your **Inflatables** looking better longer and your customers satisfied, we offer the following two solutions;

Citrus-D Multi-Purpose Cleaner

51605
BX/4 Gal

- Concentrated Cleaner
- Quickly removes dirt, grease and oil from surface
- Will not harm fabric or stitching materials
- Meets our Green Solutions criteria

TO USE

- ✓ In a pump-up sprayer, mix Citrus-D with water according to label directions.
- ✓ Apply to the surface.
- ✓ Agitate with a cloth, sponge or soft bristle brush.
- ✓ Wipe surface with clean water and a clean cloth or sponge.
- ✓ Allow to air dry

Odor-Point Bioenzymatic Deodorizer

51940
BX/12-32oz

- Ready-To-Use Solution
- Immediately eliminates odors caused by a buildup of organic matter (food spills, sweat, urine, etc.)
- Will not harm fabric or stitching materials
- Long lasting and continued deodorizing action
- Will not leave behind a soapy residue
- Meets our Green Solutions criteria

TO USE

- ✓ Have delivery/pickup personnel carry Odor-Point to the event location.
- ✓ Before deflating, spray Odor-Point on the interior contact surfaces.
- ✓ Deflate.
- ✓ Fold and store Inflatable until next event.
